Rebuilding the Hill District -- Business by Business, Brick by Brick

www.hilldistrict.org/hdrising

The Hill CDC connects **People, Place** and **Policy** to drive compelling community development in the Hill District. This work is implemented in accordance with the **Greater Hill District Master Plan**, which is a vision that builds upon the rich **African American cultural legacy** of the Hill District, an iconic Pittsburgh neighborhood.

HD Rising is an initiative of the Hill CDC created for **small to medium enterprises, business owners** and **entrepreneurs** who seek to locate or grow their **commercial, office** and or **retail presence** within the Hill District. HD Rising members will have the opportunity to choose from a range of spaces that can be converted into a shop, restaurant, nonprofit or traditional space.

The Hill District is **ideally situated** between the two largest **business districts** in Pittsburgh, Oakland and Downtown. Businesses and developers alike will have an **opportunity** to join in the unique combination of **culture, commerce** and **innovation** happening in the heart of Pittsburgh's historic **African-American Cultural and Commercial Corridor**. Over the next 7 years, the Hill District is slated for **\$2.5 billion** dollars of investment, and those on the HD Rising list will be the first in-the-know when it comes to opportunities to be at the center of it all!

The Hill CDC **encourages** businesses, entrepreneurs and developers to **envision** how they can become involved in bringing the new Centre Avenue commercial corridor to life.
